FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 2. 28 Texas Administrative Code §134.204 sets out Medical Fee Guidelines for workers' compensation specific services effective March 1, 2008.

- 3. The services in dispute were reduced/denied by the respondent with the following reason codes: Explanation of benefits dated July 12, 2010
 - (4) The procedure code is inconsistent with the modifier used or a required modifier is missing.
 - (E843) FH Notes: Modifier is required for this procedure. Resubmit service with appropriate modifier.

Issues

- 1. Has the Requestor billed with correct modifiers for this type of service upon request for reconsideration?
- 2. Has the Designated Doctor (DD) examination been reimbursed appropriately per 28 Texas Administrative Code §134.204?
- 3. Is the requestor entitled to reimbursement?

Findings

- 1. The respondent denied the billing on the audit dated July 12, 2010 with reason code "(4) The procedure code is inconsistent with the modifier used or a required modifier is missing." It is shown that upon subsequent submission of the billing, that an additional and correct modifier, as requested, was added to the billing. There was no response to this request for reconsideration, nor is there a response to medical fee dispute resolution. The Division will review the billing according to applicable fee guidelines in 28 Texas Administrative Code §134.204 and per available documentation.
- 2. The requestor billed the amount of \$500.00 for CPT code 99456-WP-W5 for DD examination for Maximum Medical Improvement/Impairment Rating (MMI/IR). Review of the documentation supports that the doctor assigned MMI. Per 28 Texas Administrative Code §134.204(j)(3)(C), the Maximum Allowable Reimbursement (MAR) for MMI is \$350.00. Documentation also supports an examination for assignment of an IR on the non-musculoskeletal digestive system. Per 28 Texas Administrative Code §134.204(j)(4)(D)(iv) & (v) the MAR for the IR using the AMA Guides to the Evaluation of Permanent Impairment, 4th Edition is \$150.00. The combined MMI/IR MAR is \$500.00.
- 3. Respondent has not paid any amount on CPT code 99456-WP-W5, therefore \$500.00 is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that reimbursement is due. As a result, the amount ordered is \$500.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$500.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
